Animal walks

Name _____

Moving

Be an animal!

Go from one side of the room to the other. Circle the ones you did.

- Bear walk: hands and feet
- Crab walk: tummy up
- Frog jumps
- Flamingo: stand on one leg
- Kangaroo hops
- Snake slither

My favourite animal walk is...

_____

_____

For grown-ups: clear a space and take turns being the animal. These build strength, balance and body awareness, and they're a good way to move before sitting down to write or eat. Make it a race, or play follow the leader.
