My calm-down plan

Name _____

Feelings

When my feelings get big, I can...

Circle the ones that help you.

- Take 5 slow breaths
- Squeeze a cushion
- Push the wall
- Have a drink of water
- Ask for a hug
- Go to my quiet spot

My body tells me my feelings are getting big when...

_____

_____

_____

For grown-ups: practise these together when your child is already calm, so they're easy to reach for when feelings run high. Keep the plan where you can both see it, and try one strategy with them rather than talking them through it.
