Getting dressed

Name _____

Self-care

Colour in each number when it's on.

1. Undies
2. Pants or shorts
3. Top
4. Jumper
5. Socks
6. Shoes

Draw your favourite outfit!

My tricky bit is...

For grown-ups: lay the clothes out in this order, and sit down to do it: it's easier to balance. Help with most of a step and let your child finish it on their own, then let them do a little more each week. Change the steps to match their clothes.
